This moment is worshipping, father, we just glorify you. You're so good. And truly great are you to be praised and glorified. The Bible says, I was glad when they told me it was time to come to the house of the Lord. And we are here today. Not because it's Sunday. Not because it's the first Sunday of this month. But we are here as a people. Your people? We understand that the family of God is one, yet in two places in heaven and earth. And with great joy and expectation we see the time. The culmination of time is coming so close when the one family of God will be all together with you. Together. With those that have gone before us and the loved ones that has gone on before us, we will be reunited. And Paul said. Comfort one another with these words. Jesus. Jesus name. In Jesus name. We praise you. We worship you. Now, I'm assuming you're worshiping with your heart because I can't hear anybody. You know, when the Solomon built the temple of God, they came. So they were all in one place in one accord, and they all were doing the same thing. They all begin to lift their voice. Didn't say. Four of them didn't say. A third of them, they said, all begin to worship and praise the Lord. In one place. And they said, the glory of the Lord descended upon them, and the glory became so.

**[00:02:20] Pastor West**

Heavy, as it were. They said that the minister could no longer stand. We understand, father, the glory of God to be your Shekinah glory, your your presence, your being here. You are here. You are here. And yes, we understand that greater is he that's in us than he that's in the world. But you are here. And we celebrate you. And yes, we have needs. And yes, we believe God to meet those needs. But greater than our need is him. We come to celebrate him. We come to celebrate our Savior, Jesus. We celebrate the one who gave his life. The one who is not guilty for the one who was guilty. The one who had not sin for the one who was sin. And in the divine great exchange, you became the righteousness of God in Christ Jesus. And he became sin who knew no sin, so that forever and ever, and even to the moment that you step in heaven, you will step in as the righteousness of God, in Christ Jesus, as a King of, as the king of the king, and of a Lord of the Lord. We thank you for the angelic host and what they're doing in the earth today. We thank you for the angelic host, and we lift up and we pray for the peace of Jerusalem this morning. We pray for the safety and the protection of the military. We pray for the wisdom and the guidance of the government of the military leaders.

**[00:04:07] Pastor West**

We pray for those who have been captured and who have been held captive for their for their release and their protection in Jesus name. We thank you because, Father God, we know that you're greater and the spirit of Antichrist is on the earth. And so I do believe the Antichrist also. But the great Restrainer has held back for such a time as this. So that the Earth will yield its increase for the precious fruit of the earth. God calls the earth the his, the people, his precious fruit. Right. So the nets go out. And we are the fishermen. To bring in the to bring in one of the greatest harvests the world has ever seen. We pray, Father God, before we leave this planet. We play, the blinders fall off of people's eyes and those who who think they're okay, and those who think that they don't need Jesus, or those who just think they're going to wait a while longer. Those who've been trapped by darkness. Those that are in darkness, but Jesus and His church is light. The commander's blinders to fall in Jesus name, and that Labour's be sent forth into the harvest. We thank you, Father God, for divine invitations and confrontations. We thank you that you are setting us at the right place, at the right time, with the news that Jesus is coming back soon. That the generation that would see these signs and these signs are here now.

**[00:05:49] Pastor West**

You gave us the signals. You gave us the signs that the generation that would see these things come to pass, and there were many of them will not pass away until he comes. Now it's time, as Isaiah would say, to rise and shine. The world may see your light. That the violent. Tread upon the gates of hell with violence. With violence, and we take back with the authority and in dominion we take back that which Jesus has paid for. For we are the voice of him. His utterance has become our words. His faith is your faith. His authority is your authority. His dominion is your dominion. His ability has become your might. His strength is your strength, and his joy is your joy. His peace is your peace. So we babati go to Itamar with gourmet brand, with great gourmet brand and with great expectation. Pussycat. Carpaticum. It was great joy. We shall bring the harvest in. Now! Quickly move! Quickly move! Wake up and be aware. Of the harvest all around you. Hey! Warmly. Quarter shuktara bahahaha. For the great marriage supper of the lamb of the bride, and the lamb shall come together quickly. And all that you've waited for. And all that you have fought for. And all that you have held and kept by faith shall be rewarded. And you shall see him as He is, and as he is, so shall you be, and you shall be as him when you see him.

**[00:08:13] Pastor West**

And you shall know as he knows as the Word of God says. And there will be no more sorrow. There will be no more trials. There will be no more suffering. And as Paul said, you cannot compare the worst. To that which is ahead of you. Everything today is light compared to the eternal weight of glory which awaits you. We worship the mighty name of Jesus in this place. We worship the mighty name of Jesus. Jesus, we worship the mighty name of Jesus. Jesus, Jesus, Jesus, you go to church now. They sing all kind of songs. You never, you never hardly hear. Jesus mentioned one time, but Jesus, Jesus, we welcome you, Jesus, oh our King, our Lord, our Savior. Holy Spirit. Move! Have your way right now. In the name of Jesus. Someone's getting healed right now. In the name of Jesus. Someone's getting healed in your jaw right now. In the name of. I don't know if it's I don't know what, TMJ or whatever, whatever that is. Hallelujah. In Jesus name. In the name of Jesus. Thank you. Father. Someone's had a problem with your shoulder. I don't know if it's out of a line or if it's arthritis. Whatever it is right now, in Jesus name, let the oil of the Holy Ghost go in. Ha ha! Seated. Ibaka. Dila. Bonda hehehehehe. Satyadharma katai.

**[00:09:56] Pastor West**

Stiff joints are loosening up. In the name of Jesus. Migraine headache. I take authority over you. You leave right now in Jesus name. There are some people here who have some digestive issues in Jesus name that's leaving you right now as we speak in Jesus name. Glory. Glory. Glory. Glory! The Lord is putting in you brand new intestines. He's fixing some things in the esophagus that you don't even know about. Don't even know who I'm talking to. But praise God. Hallelujah is happening right now in Jesus name. Everything in the stomach is being realigned right now. Everything is being made new. The lining of the stomach is being recreated right now in Jesus glorious name. All things made new. Right now, in Jesus name, the restitution of all things being made right, new, new right now in Jesus glorious name. Glory be to God. Glory be to God. There's someone here that you're something wrong. Wrong in division. Maybe it's been that way for a while. It's being corrected right now. In Jesus name. The greatest surgeon that's ever been on the planet is fixing that right now. In Jesus name. Hallelujah. Jesus name. You know, heaven has a whole warehouse full of parts, and right now, all you got to do is call a biopsy, call things to be knowledge of the word call for the thing that you have needed right now in Jesus name. I don't have to call it out in Jesus name.

**[00:11:20] Pastor West**

Say, father, I thank you. And then just begin to call that out right now, in Jesus name. If it ain't you, you know someone who has a need, just begin to call that. Let's just believe God with him right now in Jesus healed and whole. Hallelujah. The Bible says the Bible says that your your body is the temple of the Holy Ghost. And father, we don't present to you a sick, disease, emaciated body. We don't give that as a sacrifice. But but a body that's whole, that gives honor and glory to you, that speaks of your goodness in Jesus name. And so I just speak healing and strength over you right now in Jesus name. There's a couple of people here and you say this, but I want you to pay attention and you'll know who you are. I don't know, don't have to know who you are. But for but for factual reasons and their facts. Sometimes you say this or something like this, you say, oh, I can't eat that, or I'm if I eat that, this is what happens. Well, you can have that the rest of your life if you want to keep saying that. And I'm not talking about you confessing the word I'm telling you right now, in Jesus name, if he would give me a word of knowledge for that which he just did, he said, I'll change that right now in the name of Jesus.

**[00:12:37] Pastor West**

So don't ever say again, I can't eat so and so because it does. Whatever. If you want a heartburn, let your heartburn for Jesus. Amen. Huh? I mean, if someone could be demon possessed, they might as well be Jesus possessed. I mean, I think you ought to get possessed. I'm all for a total possession. As long as as long as your Holy Ghost possessed. Glory be to God in Jesus name. Amen. You can be seated. God is good all the time. He's good. So good. Well, we are in a series. I don't have a number on it. I think today's number six. I'm not really sure. Didn't know I was going to start it. Don't know what I'm going to finish it. Uh, I didn't want to get to the place of hell on Christmas morning. I didn't think that would be a good, you know, put a bow on this thing Christmas and talk about hell and how how we not going to go to hell. I see something to hang on. You ain't decided yet. So praise the Lord. I got today to try to convince you. Amen. As I meet one time and they said. How much you going like this? And how many going to that someone? He said, there's some who wouldn't raise their hand no matter what he said. He said, how many want to raise your hand no matter what I ask you? And then the hands went up.

**[00:13:57] Pastor West**

So. But last week we started on the millennial reign of Christ. And we're going to delve into that a little bit more or do a little bit back up, and then we'll go forward from there. We're in the we're not we're not in the end times. We're at the end of the end. The very end of the end. So what? What would your life look like if you was at the end of the end? Would it be business as usual? If Jesus was going to come Thursday, would you be organizing your garage? Your shoes? Clean out your purse? How do people act in the end? In the end, there has to be a generation of people here when it comes, right? That's just the way it works. Someone's going to be on the planet when Jesus comes. Well, we could go through over 80 something signs the word gives us to let us know who that generation is. And if you if you go through all those signs and you don't have to do a stress to find out you're that generation. And so how do we think? How do we how do we function? So in the millennial reign of Christ, we started last week. We'll go, like I said, we'll go forward with that today a little bit further. It'd be a great time a great time to be on the Earth. A great time to be on the Earth.

**[00:15:32] Pastor West**

And so we're going to go to revelation chapter 20, and we're going to read verses one through eight, if we will. And someone said one time said, well, the word I don't know why you teach on the millennial reign, the millennial. The word millennial is not in the Bible. And I said, yeah, neither is the word Bible and the Bible. Neither is the word Trinity in the Bible. And these are probably some of y'all's name might be in the Bible, but. So we'll see what the millennium is. And it just comes from two words. The word mille means thousand, and the word annum means years, 1000 years. That's not too hard stretch, is it? And so we'll see the millennial reign of Christ and Revelation 20, verses one through eight. It says, then I saw an angel coming down from heaven, having the key to the bottomless pit and a great chain in his hand. He laid hold of the dragon, that old serpent of old, who is the devil and Satan, and bound him for a thousand years and cast him into the bottomless pit. And y'all help me shut him up. Bind him up. Shut him up. Say it with me. Say. Bind him up. Shut him up. So what can you tell the devil? Shut up! Yes. So that he should deceive the nations. No more to the thousand years were finished. But after that, he must be released for a little while.

**[00:17:05] Pastor West**

Everyone's had a question. Why would you turn that sucker loose after you got him bound up? Today won't be our reason to talk about that, but we will. And God has purpose for everything. Verse four. And I saw thrones, and they sat on them, and judgment was committed to them. Then I saw the souls of those who had been beheaded for the witness to Jesus, and for the word of God, who had not worshiped the beast or the image, and had not received his mark on their foreheads or on their hands. And they lived and reigned with Christ for a thousand years. So now we're talking about people who lived through the, the, the seven year tribulation. We talked about, you know, they they would not receive the mark and they wouldn't worship the beast or his image. And many of these people will be killed or beheaded for not doing so. This is who they're talking about. Verse five. But the rest of the dead did not live again until the thousand years were finished. We'll get to that probably next week. This is the first resurrection. Verse six. Blessed and holy is he who has part in the first resurrection. Over such the second death has no power, but they shall be priest of God and of Christ, and shall reign with him a thousand years. Now when the thousand years have expired, Satan will be released from his prison, and will go to deceive the nations which are in the four corners of the earth, Gog and Magog, to gather them together to battle whose number is as the sand of the sea.

**[00:18:35] Pastor West**

And so you're going to be in a world can you imagine with no fear, no disease, no pain, no worry, no lack, no suffering. A thousand years of total peace. Let's read verse seven and eight. And when the thousand years are expired once again, Satan will be loosed on his prison out of his prison. And verse eight, and he shall go out to see these nations, which are the four corners of the earth, Gog and Magog, to gather them together to battle, and the number which is of the sand of the sea. Got to get these questions sometimes a lot, a lot, but says, because you see, after he's he's released from his prison, and this is during the millennium and during the millennium. There's the devil's in the pit. There's no demonic activity whatsoever going on in the Earth. It's a time of total, complete peace. But you can see the depravity of man and of the human heart is still evil without Jesus. I mean, people say, well, if I just had, you know, if we just had a better world, if I just lived in a better side of town, if I just had a better house and a better car drive, I could just be a better person.

**[00:19:44] Pastor West**

Well, well, you've got a population that's going to explode. I mean, just think about it. You're going to be here for a thousand years in mankind's age is going to be restored like that before Noah. You're going to have people living 1000 years. You're going have people living, you know, some or some less, but they're they're going to live into their hundreds. Can you imagine how many children and grandchildren and great grandchildren they're going to have? Now, these are natural people. They're not you when you're born again. Oh, when you're born again. When we come back here for the millennium. You'll come back. And your glorified body. But all the people who lived through the tribulation, you know, who had accepted Jesus when they're brought back, you know, if they were killed when they're brought back, they'll be in the millennium. The Old Testament saints will be in the millennium. The New Testament saints will be in the millennium. Those who we just read about in verse four who would not take the mark. They'll be in the millennium, and they'll be there, but they'll be in natural bodies. They'll be mortals, but they'll have a body that can live up to, you know, to a thousand years, and some will die before then. Now you understand when you'll never die again. When you go to heaven, I mean, your spirit body and your spirit will come together, and it'll be the greatest model that you could ever imagine.

**[00:20:55] Pastor West**

You'll like your body. Amen. God's going to take the body you have now, but he's going to put a lot of glory on it. Amen. Amen. Amen. We won't be counting calories or carbs. You can forget that. There won't be no high or lows. You only get your blood checked and you only go see your doctor. There'll be no scripts to write. Amen. So if you like your doctor, I don't know what doctors will do during the millennium. I think they're just going to get a big arrest. No one will need doctoring. Woo hoo! Praise the Lord! Well, that don't mean nothing when you're talking to fourth graders, but I'm talking about when you get a little bit older. When you get a little bit older and you're like, oh, what's that? Well then then we talking about there's no doctor, there's no medicine, there's there's no pain, there's no suffering, there's no downtime, there's no sad days. It's just all glory. Can you all say amen? Amen. Y'all lie. Praise the Lord. It's Sunday. We're talking about a thousand year reign. With peace with Jesus Christ on the earth. Jesus is the president of the world. He's. Which means he's the president of every nation. Which means Jesus is the president of the United States of America. Yes. Amen. Amen. Now anybody voting on him said, what part is he going to run with his? How often do we vote? Never.

**[00:22:05] Pastor West**

Do we have another choice. No, you won't want another choice. So age is restored to hundreds of years. There's so much peace. The Bible says the peace of God extends into the animal kingdom. The lion will lay down with the lamb. So a kid would put his hand into a cobra's den to play with it and never be hurt. I wouldn't try that today. Jesus is not back on the earth yet. Jesus is coming to rule. Was a rod of iron. And so he's coming back because he's going to establish his. The kingdom that his disciples said, will you at this time restore the kingdom of God? And he said, you know, they wanted Jesus to come and look like he could do it. He had the goods. You can get Rome off our back. He said, this, this is not that time. It's not for you to know those seasons that the father has in his own power, his own, his own wisdom. He knows when that time is. But when Jesus comes back, he's keeping his word to the Jews. He's keeping his word to the Gentiles. God's keeping his word to Jesus that he would rule and reign this earth. So we're going to we're going to be here for a thousand years now. Do we have that? Slide. I want you to see this before we say much more about it.

**[00:23:24] Pastor West**

This is a little different slide, the one I showed before but. This should give you a little chart where we are right now. So you see right here it says the present age. You're we're still in the church age, which is you're in the dispensation of grace, but this is the church age. So you are here. So what is the next event to take place? Right. The rapture of the church is the next thing that takes place, followed by the seven year tribulation, which is split into two halves. We say the beginning of SARS or the tribulation, and then the last three and a half years is the Great tribulation, which just means it intensifies. It's much worse. And so when you see the rapture of the church, you see the arrow pointing up. Jesus doesn't come touch the earth. We go to meet him in the clouds. You can see at the end of the tribulation, you can see they're pointing down, which means he comes down to touch the Mount of Olives, and you come with him right across the top, while the while the world is in seven years of the worst time in the history of of existence, you're at the marriage supper of the lamb, and you're at the judgment seat of Christ, which I'll talk about next week. Don't get messed up with that word judgment if you're a Christian.

**[00:24:43] Pastor West**

This is where you are rewarded. Not chastised. This is where you enjoy the marriage supper of the lamb that lasts for seven years and rewards while the earth is in the worst time ever that has ever taken place. Like I say in the history of mankind. So we come back as the arrow comes down and the Israel half of Israel is wiped out, and Jesus comes right back because the nations of the world have come together. I'm kind of in my notes already with the army of 200 million people that's coming against Jesus. Now, how did you go into a millennium with only saved people? With no demons loose. And then these kids, these people started having children which aren't safe, you know, because they got to hear the gospel like you did. I mean, think the people who's going to live through the tribulation, they're going to go into the millennium, only believers are going to go into the millennium. But then the natural people with mortal bodies, they're going to marry, they're going to have children just like we did. But then these people are just as lost as you was until you got saved. They'll have to make a decision based on faith, just like you are. Which means we'll still be preaching the gospel all during the millennium. In the earth will be populated like the sands of the sea. We know that many don't receive Christ.

**[00:26:07] Pastor West**

When I say many, I don't mean in percentage to how many peoples on the planet. We don't really know how many billions of people, but it will be a lot more than it is now for a thousand years. The earth is populated, but we know the Scripture tells us there's 200 million people that the Antichrist leads in battle against Jesus. When we come back with him, I say battle ain't really a battle. It doesn't. It doesn't last no time. But I mean, but how do you live during the millennial reign of Christ? Can actually see him and we'll tell him this is what we went on our whole life. And this right here, you'll say that look, that that that's who I'm talking. I'm talking about. And if you'll receive him and some of them say, no, I don't think so. So there's at least 200 million people that will fight with the Antichrist against Jesus in us. And I say like, we don't we don't actually get off our horse. But you've got a good seat. I mean, he's just like, giddy up. Where's popcorn? And and they'll, they'll they'll be doing nuclear. They'll be doing everything they can. And Jesus just he'll the word will speak the word. It'll be all over. And then after that comes the millennium where we're talking about right now the millennial reign of Christ. And after the thousand years, Satan is released and he's going to go and he's going to propagate, and he's going to gather up people from all over the planet.

**[00:27:37] Pastor West**

The 200 million plus. And then Jesus is going to deal with him quickly, real quickly with fire, and he's going to consume every one of them, and he's going to put the devil in the pit for hell forever. And then that we have the new heaven, the new earth in eternity. Forever. Then we have something called heaven forever. And forever and forever. Then after that, forever. But then after that, forever. And you get what I'm trying to say. So I don't know how to tell you what forever is. You know, we we don't have nothing to market by or our mind can't do that. You know, when you're thinking about something that's infinite or finite, it's just like everything that we've ever done, we've known had a beginning and an end, including life. It's just. There's just no end. I mean, if you could tell me then that I'm going to ask you who who God's dad is. Who? Who's his parents? He said, well, he didn't have any. He's always been. Well, how did he get here? He didn't get here. He's always was. Well, now he can't be that well, that's. That's what he said. We don't have those answers today, do we? See, he wrote the book. We read it. We didn't write the book. He wrote the book. We just read it.

**[00:28:53] Pastor West**

So y'all ready to go? Now let's talk about for just a moment the purpose of the just a few of the purposes of the millennium. So why don't we just have the new heaven and new earth, and let's just be in heaven forever? Well, there's there's there's purposes for that. God does everything with purpose and by purpose. And so one of the purposes of the 1000 year reign of Christ is, is it's a time of peace on the earth, but it's the restitution of all things he's putting. Everything's back in order. He's restoring things. God is a restorer. He always has been. And so it's the time that Christ comes back. Now remember, he's ruling and reigning. He's he's king of the earth from Jerusalem. The earth is being run from Jerusalem. Jerusalem is the capital of the world, you might say. And the first time he came, one of the reasons why the first time he came, one, the reasons for the millennial reign is when the first time he came, he wasn't received. He was rejected. This time he won't be rejected. He'll be recognized. Oh, he'll be recognized in the rapture. No one will see him. But we will. We'll be caught up together with him. The world won't see him when he comes back. In revelation one seven, it says, every eye is going to see him when he comes back. No matter where you are in the world, every eye is going to see Jesus, and we're all going to be coming back together with him.

**[00:30:12] Pastor West**

They're going to see you. The whole world is going to see you with Jesus when he comes back at the end of the tribulation. So he'll be coming back as the King of King and Lord of lords, and it will be the fulfillment. God made a promise to David that David's throne would last forever, and it does last forever. And it's called the Davidic Covenant. And it says the Messiah would come, sit. Jesus will come sit upon David's throne forever and ever. Second Samuel 7:12 to be part of that verse. And then there's five more references I can give you, but I won't take the time this morning. But this kingdom has three aspects to it. And if you want to turn them this way, there's the universal kingdom, the spiritual kingdom, and the Davidic kingdom. And so the universal kingdom that we know that God is sovereign, he's the ruler of the earth. It's his way. Is different in in the way we live life now. The church argues this point a whole lot. They say, well, God is sovereign, that nothing happens unless God chooses it. Well, that's not true today. And I know that makes people mad, but the Bible says the Lord is the earth, but he gave the fullness of it, or the fullness of the earth that belongs to God, but he gave it to men.

**[00:31:32] Pastor West**

In other words, men are on this planet, and that's the reason why we got a mess. It won't look anything like the millennium. And so God is sovereign from Genesis to Revelation. But it gave you dominion. Well, if I give you my the keys to my car and you could drive at the speed limit or slower, or you could drive it faster, because at that moment you got the keys. You say, well, now, no, they can't go over 70 on the interstate because that car belongs so and so. Well, well, if you're with them, you might can enforce that. But if you don't know that, they're in the car. See? So he's giving us the keys of this kingdom, right? And so he's sovereign. But. If he's going to be sovereign over everything, then you didn't need free will. If you have free will, then he's not sovereign over all your choices, is he? I mean, don't raise your hand. But have you ever sinned? Well, then God's sovereign will didn't win out. Would the Lord prefer the church to be packed out or just a few come? God's will is not being done. Does every believer give well 30 years? I can tell you. No. God's will is not being done. Is everyone being saved right now? Who needs to be saved? No. God's will is not being. So what I'm saying is, God's not getting his way all the time.

**[00:32:54] Pastor West**

Even though he's sovereign. King of the world. King of the universe. Because he gave you free choice. Well, people will have that during the millennium. Now, once again, when when you enter the millennium, there'll be no there'll be no one believers in the millennium. Because when Jesus comes back, actually there'll be a separation of 75 days before he starts, because his plan is going to be in a mess, and he's going to clean it up before A starts. But he will he'll he'll raise up the Old Testament saints. They'll be brought back to life. Said that while ago, the New Testament saints who came from heaven, those who've already gone will come back with him. We'll all be here. Those who live during, who might still be alive. You know, during the seven year tribulation, some people are going to actually live through it. And who will be saved? Maybe never killed or beheaded. Many will be killed and beheaded, but they'll be raised up if they died. The ones who received Jesus, who lived through the seven year tribulation, they'll all be saved. There are some that will not receive Jesus. That's when Jesus will come back. And he will judge between the nations of the sheep and the goats. And if you're a sheep, you'll you receive Jesus Christ. You'll go into the millennium when he judges you before the millennial stars.

**[00:34:13] Pastor West**

And if you're a goat, you go straight to hell. No one goes into the millennium as an unbeliever. But once again, these people marry because they're in a mortal body. I mean, we've never done anything like this before. Think about it. So you're going to have the earth populated with with people, with spirit bodies just like Jesus and people with mortal bodies like you have today. How many of you rather have the the spirit body than a mortal body? It's going to be a great mortal body. You understand me? You could live hundreds of years, but if you fall down, you can get a boo boo. You can get yourself hurt. You can still feel things. But you'll have the ability to live. Longevity will be greatly increased. But these people will have children and they'll and those children, until they're become to the age and understand they'll need to hear the gospel. So evangelism is still going on during the planet, during the millennium. It's important now because we want everybody to go. We don't want anyone to have to live through the tribulation, but we'll be preaching the gospel all during the millennium. Amen. You will. So we got a lot of work ahead of us. I don't know what the estimation. We were talking about that yesterday. So what do you think? The planet. I read so many figures. We just saw a bunch of guests saying, going to get into all that, but it'll be way over what we have now.

**[00:35:34] Pastor West**

You know, you know, I don't know. I mean, if you live to be 890 years old and you felt great, how many kids would you have? Have said, well, still wouldn't have done well, that'd be fine. But I'm just saying. But, but but you could have a bunch, right? I mean, Abraham has several, I mean. Right, I mean, after Sarah passed, I mean, he was 140 years old. He got married again. He had five more kids. I mean, when the Lord really revitalized his body, he did a job on him. I mean, you would have thought after Isaac, he'd said, okay, go back. And and Dave was like. Or Abraham was like, I still feel something here, Sarah. Sarah dies and he gets remarried and has five more kids. Well, he lived to be 175. But Sarah, you know, Abraham had a lot of servants. Now, this is just me thinking, I don't know how this work, but, you know, 175. He was getting pretty old, but he had a lot of service, if that if that kid looked like it needed to have someone play with him, he said, hey, you him play on the ball, pitch ball with him. He had plenty of servants change that diaper. You know, kids crying during the night. I don't do that. Jump up, jump up, jump up, jump, jump up. Yeah, praise the Lord.

**[00:36:48] Pastor West**

So? So you might have more kids so you can see. Do you understand what I'm saying? So more people will have children and they'll be mortal, but they're spiritually dead. In other words, they have a sin nature. They have to receive Jesus. Most of them will. But according to what I'll give you just a minute, the scriptures, 200 men will fight against him. So we know some didn't. Even though they got to see Jesus, they still didn't want him. Don't you think? I mean, I don't know this, but don't you? Don't you think there's a different kind of reward for those of us who lived, who never saw Jesus and never received him from those who will see him and say, hm, I'll get back with you. So the Davidic king. So the spiritual kingdom I gave you the universal, the spiritual and the Davidic kingdom. The spiritual kingdom is, you know, he's sovereign, king of the universe, ruler of the earth, ruler of the universe, and the spiritual kingdom is obviously what that is. You have to be born again, just like in John three. He told Jesus, told Nicodemus, Nicodemus, you have to be born again of the spirit, because the kingdom is what it's not meat and drink. It's what righteousness, peace, joy in the in the Holy Ghost. That's right. Then there's Davidic kingdom, and that's not filled the some people say, well, it's just symbolic.

**[00:38:10] Pastor West**

You know, the what God promised David is just symbolic. It's not symbolic. It's fulfilled, but it's not filled in the church spiritually. It actually is literally fulfilled because all the prophecies in the Bible that have been fulfilled has been fulfilled literally, not symbolically. In other words, there was a promise that Jesus would be born in Bethlehem. Anyone want to take a guess where he's born? Oh, he was actually born in Bethlehem. It was fulfilled just that way. The Bible says that the Messiah would be born of a virgin. How did that work out? Oh, he was born of a virgin. Was that just literally or was that or was that symbolically? No. He was literally born of a virgin in Bethlehem. They said that he would be wounded for our transgressions. Do you think Jesus thought that was a symbolic gesture? He would be bruised for your iniquities, and by his stripes you would be healed. These things, these promises, were literally actually fulfilled. So some teach that Christ comes sitting on David's throne won't be an actual thing, but a more symbolic thing. There was. They just kind of over spiritualize it. But when Jesus taught his disciples how to pray because they said, Lord, would you teach us how to pray? Well, we know that prayer is we call it the Lord's Prayer, but it contains the petition thy kingdom come, thy will be done on earth as it is in heaven.

**[00:39:30] Pastor West**

Now we do. We have to understand this in the new covenant, that the kingdom of God is already come, but it has not come in its fullness. Yet during the millennium you'll see the fullness of that prayer where his kingdom has actually literally come, not figuratively come, but literally come. And this is the complete fulfillment of all the prayers of all the petitions of all the saints of all the ages. It will be a literal fulfillment. In his book, there's a man named Herman Hoyt pastor. A number of years ago, he wrote a book on End Times, and I'll just read a quote here is he said, in the Kingdom, the father's eternal purpose in the divine Son came to a certain complete fulfillment. The dominion that was divinely bestowed on humanity was forfeited in the first Adam. Will eventually be realized on Earth in the final stage of human history, in its fullness. In the Kingdom, the throne of God and of the lamb will be established as sovereign and eternal. So what happens in the millennium is all of God's purposes, and all of God's plan, and all of God's anticipations, and all of God's designs will come to fruition. This is the Lord's plan, and in Jesus will be on the throne of David's King of King, Lord of Lord. So I got this kind of where I got the title for today, not out of this book, but I was just thinking about this.

**[00:41:01] Pastor West**

I said, so what we're talking about the millennial reign of Christ, or it's called the or the Kingdom Age, or the Time of Restitution to restore all things. So I wrote today, millennium part two. We started last week, millennium part two, A renewed Earth a thousand years under new management, new management. Now you remember back in acts chapter one, don't go there. You remember when Jesus ascended back into heaven and disciples asked Jesus the question that says, Lord, will you at this time restore the kingdom to Israel? What were they looking for? They were looking for the millennium. Back then. And they wanted Jesus to overthrow the Romans, and they wanted Jesus to sit down on the throne of David, bring justice, righteousness, and bring peace to the earth. And his disciples were saying, the miracles that you do, the crowds that will follow you. If anyone can do it, it's going to be you. And they saying, you know, let's go for it. Let's, let's, let's move forward on this. Let's Jesus, come on, let's get a move on. And so they wanted this millennium to start right then. And they they're telling Jesus, you know, we left our boats. We left our nets. We left our homes. We left our goods. We left everything to follow you. This is the perfect time to do it. And they were given Jesus. You know, they were counseling Jesus and telling him, we've decided this is the best time.

**[00:42:20] Pastor West**

And you know what Jesus did with their council. Yeah. That's right. And his reply was, it's not for you to know the seasons which the father has put in his own power, but you shall receive power. It's not for you to know the time, the seasons, that the Lord has put under his power. But you shall receive power. How many? You received the Holy Ghost. He said, when you receive the Holy Ghost, you receive power. Dunamis. Like dynamite. When the Holy Ghost comes on you and you're going to go out and preach with power and be witnesses to the uttermost parts of the earth. This is during the church age which you are in right now. And Jesus said, I will be with you every other day. I'm sorry. I will be with you always until the end of the earth. And then he ascended back into heaven. So Jesus told 12 disciples who stayed on 12 thrones, who would judge the 12 tribes of Israel. This is Jesus words. I mean, just think about the government of what will be happening in millennium. I said a while ago, Jesus is the president of the world, residing and reigning from Jerusalem. I mean. If you go to any nation, they'll say, who's your president? And we will too. If someone you know, kid asks you, he's 14 years old and he's here in United States, he said, who's? Who's the president of the United States? And you and I say, Jesus Christ.

**[00:43:47] Pastor West**

I mean, how cool is that? I mean. We know you can't even imagine what it's going to be like in the government. I mean, there won't be any characters. I mean, when someone knows your thoughts and the intents of your heart when he passes the bill, it'll pass. There will be no vote. There won't be no pork in there. No pork. There won't be no backroom deals if they try one. They just walk through the wall. So what are you doing? And they'll look down and be trapdoor. No, I don't just. Anyway. Just no back deals. You're going to have so much fun during the millennium. It's just not preaching. Even, you know, even, you know, in heaven. It's not that way. It's going to be life. If you'd like to go fishing, you'll be able to catch fish. I don't know if it'll be actual fish, but it'll it'll simulate a fish. You might be able to hunt and shoot a deer. I won't be a real beer, because you're not going to be killing the game. And and people is worried that, you know, if if the Lions go lay down with the lamb and they're all going to get along, surely Jesus is not going to let us kill meat and eat it. Oh yeah. But I don't know what it'll be like, but I believe it'll be something that tastes like it.

**[00:45:11] Pastor West**

I don't care what it is. I mean, if I go to Longhorns or Texas Roadhouse or whatever, I don't care what he made it out of, as long as it tastes like that. I mean, do you care? I mean, I don't really care. I mean, I trust the master Chef, don't you? I don't care what he makes you, that he make it out of Oreos. As long as it tastes like a good steak, I don't really care. Or he can make Oreos. I liked him, too. Hallelujah. So. But you're going to have so much fun doing millennia, you say? Well, we we've been wanting to go here and we want to go there. Well, you never saw the Grand Canyon until the Lord restored it. Hmm. I mean, Hawaii's taking a big downgrade since N came into the Earth. I mean, if the Lord just I mean, I don't really want to go anywhere at this stage of my life. But if the Lord said, son, I need you to move your assignments changed. And I said, where? He said, Maui. And I said. Really Lord Hawaii. He says people need Jesus. And I said, they do, don't they? People do need. They do need. How many? There are some lost people in Maui, Honolulu and. Oh, yeah. Somebody's got to reach them. As beautiful as Maui is. Wait till you see it.

**[00:46:25] Pastor West**

When there's no curse on it. Amen. Amen. Even Jefferson looked better. Glory to God. Amen. Don't laugh. You might be the mayor. Yeah. Praise the Lord. I'm not going to be the mayor. Hallelujah! I'm looking for a promotion. Praise the Lord. I mean, I love Jefferson, but I'm just not. Praise the Lord. Another purpose for the millennium is, is it's never been fulfilled. The land that God said he would give Israel. They've never received anywhere close to that, but they will receive it during the millennium. Jeremiah 31:31 through 34. Genesis 28, 13 and 14 promises to Abraham of the land that they would have would belong to them. They'll receive it during the millennium. God's going to keep his word. And Amos nine 14:15. God promised they would inherit the whole land and they will inherit the whole land. This will happen during the millennium period. And then the third characteristic of the blame is that there's going to be a millennial temple built where Jesus is going to rule from. He establishes his his kingdom once again in Jerusalem 1000 years. It's going to be a glorious temple. It's going to be constructed. And there's been many temples constructed. You know, when we read the scriptures. Solomon built temples, rebel, so built a temple, Herod built a temple. But this is going to be an awesome temple. And the prophet Ezekiel said, and Ezekiel 43 he said, son of man, this is the place.

**[00:48:06] Pastor West**

He's prophesying. He says, son of man, this is the place and the place the soles of my feet where I dwell in the midst of the children of Israel forever. He tells him where it's going to be at. It looks to me like now. I don't want anyone out there to hear me. It looks like the Lord knows everything. I said at dinner. It looks like he knows the future. Ezekiel. Born many years before Christ was even born, tells you where Jesus will be the King of kings, Lord of lords, and where the temple is going to be built in the place of the soles of my feet, where I dwell in the midst of the children of Israel forever. No one shall the house of Israel defile my holy name. They nor the kings by their harlotry, or with the carcasses of the kings of their high places. So the Lord will be here himself. Right here on the planet. Now interesting thing. So think about changing gears a little bit, people. I mean, there's all kinds of questions you think about, you know, will there be sin during the millennium? Yes. Would you be sinning? No, but you got mortal people. And they have children. Everyone is born with a sin nature. True. If you don't believe so, just go to the nursery right now. Go to any nursery with 3 or 4 kids in there, and then get out the toys and watch the little fight going on.

**[00:49:36] Pastor West**

Why is that? It's the sin nature. It's what is seeing, really. It's selfishness. Until you're born again, will you get the love of God? So we were all born with a sin nature because of Adam's transgression. Until we get what? Born again. And so you can see it. Like I said, in preschool, you can see it in the church nursery, anywhere where you pull out one shiny train, one new baby doll. And I mean, and you don't want to just have one good baby doll for the nursery, because if you've got 3 or 4 little girls there, I mean, they'll all jump on that like a rat on a Cheeto. And it's like. And you got tugging back and forth and it's just. And you can see sin, nature. I mean, there's the greatest example in the world. We had a kid a number of years ago. I don't know who it is. Some of y'all might remember when church was in Clanton that they were, you know, they were learning. We didn't want to just babysit kids in the nursery until churches, you know, teach them something on their level, but teach them and they would teach them giving and receiving, you know, giving and receiving. So one of our little girls gave another little kid, you know, some change or a dollar and said, I give to, you know, Jesus said, give, I give to you.

**[00:50:52] Pastor West**

And everyone was so proud of him. They were clapping for her. And then she was waiting for the little girl that she gave the money to, to give it back to her or give her something back. And I give you. And they did. And she started crying. And then she beat them. So, so they had to cover the next week, you know, you know, give them their seed and there's a little time you don't if you don't receive the same in the same moments. You give don't don't bite anybody. Yeah. That's not a scripture. Thou by this not. So the temple was built and the Lord will be there. So it seems unfathomable that their sin during the millennium, the time of of great peace. But there will be now we remember that Jesus ends the war of all wars, the war of Armageddon on the last day of the tribulation. And he judges the remaining survivors, which is the sheep and the goats, and that only believers in the millennium. But then. And those who refused to take the mark, they'll be there. So everyone, the millennium once again will be righteous. Only saved people will be there to begin it with mortal bodies. The tribulation saints will have natural bodies. They'll marry. Like I said, they'll have children. They'll have free will. They'll have to make a choice. Just like you had to make a choice to accept Christ or not.

**[00:52:19] Pastor West**

They'll have to do just as you did. Same thing for a thousand years, and there will be seen and there will be rebellion. But the Scripture teaches that it's not like today. It will be dealt with really quickly. Justice will be carried out swiftly. There won't be months and years of waiting for court to take place. It'll take place instantly. Long waits for the justice system to work will be over. Jesus will deal with this in revelation 227. In revelation 1215 says, Jesus will rule with a rod of iron. Now but listen to what a rod of iron is. It's a high degree of righteousness. The greatest commodity on the face of the earth today. Today. Is a righteous man, a woman of God. Just the greatest thing on the planet today is a righteous man and woman of God. So a rod of iron, he will, he will. He will rule with the highest degree of righteousness. Some of stuff I've already covered anyway. I believe that there will be times of great increase, not just in the population, but in creativity. When you don't have demonic spirits at work and you just have the creative flow of God in you at high optimum, whatever, I mean, the inventions that will come out during this thousand years is going to be amazing, I imagine. I mean, just amazing. When you have no influence of any demonic spirit, any thought that you've ever had, that's evil.

**[00:54:08] Pastor West**

There's nothing there to give you those thoughts anymore. Just just P and just the mind and the wisdom of God. So the creativity of this planet will be. It'll be amazing what it will be like. You know, God himself is going to be living on the planet, and Earth will permeate with joy and peace. And you know, you'll we'll all have an assignment and it'll be nothing for you to be transported. I mean, you're on assignment to go somewhere and just like, just like you can think in thought, right? People do it all the time. You ever have someone ask you, give you, give you a penny for your thoughts, or they just they know you well enough to know that you're thinking about something and we say nothing. I think that's something. No, I wouldn't, but you was probably. Well, if you can be somewhere else and thought. If you can come to church and make out your grocery list and be at the grocery store. That's a bad example. No one's ever done that, I'm sure. But if you can be somewhere else in thought, in the past or in the future in the Millennial Kingdom, you won't just think it. You'll do it. Because you have an assignment. Your assignment is going to be all the people that's going to populate the planet. Accidents are about to happen.

**[00:55:31] Pastor West**

Someone's about to fall off a ladder. Someone's about to have a car accident. You know, Nathan will probably get to do some of this. He may not want to. He probably doesn't want to fix any cars. Daniel millennial. He will be the one who's transported there to stop him. He'll say, stop it. It's 120. I mean, they're still lost, right? So we'll go there to prevent things all the time. I mean, you may be in your in your home, wherever you're assigned to. And just in a matter of a millisecond, you'll be in another city or the other side of town or on the other side of the planet. Just think about all the things that's going to happen to your millennial. You'll be in a spirit body just like Jesus. When Jesus came back with a spirit body, he walked through walls. You'll do the same thing Jesus did. You'll have that body forever. You'll be young forever. You'll. I mean, you might can take a nap if that's one of your fun things to do, but you'll just be doing it for fun. You won't need a nap. You'll never be tired. Ever. Which gives you no reason to be irritable. If you like coffee, you can, but you don't have to have three soldiers. I mean Folgers in the cup before you can start your day. You're going to enjoy your life so much during during the millennium, because one of the other reasons for the millennial reign is the Lord wanted a thousand years.

**[00:57:09] Pastor West**

He's going to come and rule the planet which is promised to him. His kingdom has come, but he. But he wants you to enjoy a thousand years on this earth. Before we go into the new heavens. He wants to reward you for being faithful while you was here. He wants a thousand years to do it. While you're all the time helping natural people. All the time. You'll be the Kingdom Police, I suppose, during the millennium. I put down here Kingdom agents of glory, helping natural bodies. Saints as your assignment. I mean, you can imagine just watching TV during during the millennium courses. Like what was it like during the church age? And Paul or Ruth or Moses or Joshua will call you up and and say, we want you to come. We're going to do live TV today, and we want you to talk about what was it like during the church age through all these natural bodied people? Because there's not there's not a demon around. Tell them what it was like to believe God by faith. Tell them what it was like when you had to take authority over the devil and say, y'all took authority over the devil. Was he? Was he around here? Oh, yeah. He was around. Every now and then. He'd come around. You mean all had, like, evil thoughts? Uh huh.

**[00:58:44] Pastor West**

And they're like, wow. So we're doing the interviews. When you living by faith, when Satan was the God of this world. Jesus will have you teaching and preaching to those who need to be born again during the millennium, because they'll need to hear the gospel. They're not walking or raining, you see? Always. Even without Satan. Here. Without your instructions. I don't know. This is just a. I mean, those who don't rule and reign during a time of absolute peace will be looked down upon. I don't think be tolerated. Paul will send people to you for counsel. Paul will tell these people Thursday, I want you over at Dennis's Bible study or Bible College, whichever one he's going to be doing, I'll probably be doing both. And Paul, he says, well, we don't know what to do about all these thoughts. He says, I want you and Dennis to the Bible study for the next 200 years. What I'm saying is Paul's going to be bragging on Dennis and y'all, because he's going to promote him to all these natural body people because they're still in this natural body and thoughts. And they have the I mean, because we think, well, if everything was perfect, it would just be perfect. No. I mean, what excuse will they really have? They're not born again yet. Until they are. So they really have a sin nature, although they don't have someone fueling it, so to speak.

**[01:00:26] Pastor West**

But they'll still have to deal with their thoughts. That's why Paul says we don't do that. He says, I want you in this Bible study for the next 200 years. You know, while you're still young. And Dennis will pray for the sick because some of them might have an accident and arm kind of sore and and they'll be crying about their sore arm. And then it's like, oh really? Oh wow. That's your that's your worst thing that you're dealing with. Oh yeah. Look I had to have a aid. Oh bless bless your heart. You ever Roush with the devil? Devil? Who's that? Who's a devil? I mean, be like, come on, man, what's your problem? What's this complaining about? No excuses for natural body people. Jesus will say, my church held the line. They stood on my word. They walked in my authority. They resisted the devil in my name. They put the devil under their feet. Now it's time for you to fish or cut bait. Hebrews six five said, right now you and I have tasted the goodness of the Word of God, that we and the powers of the age to come, the powers of the age to come as that time out there. But he said, you've already got a foretaste of what it's like. You've ever seen a miracle. You've ever seen a healing, that means you already had the foretaste. A small portion of what it's going to be like in the age to come.

**[01:01:55] Pastor West**

Because there'll be rulership in the millennium. Because you are ruling and reigning with him together. He wants a thousand years to do it. We won't be simply tasting the power to come, but we'll function in them. Many of you will rule over cities or towns or villages, sometimes regions. Some will rule over state, as the governor does. Now the Bible says in first Corinthians six three that you will be judged in angels. Judging means you'll be ruling over angels. Jesus will rule and rule from Jerusalem, but he'll implement this assignment through you. The gifts of the spirit will be on high alert, fully effective at all times to help mortal people. You won't be trying to get a word of wisdom. You won't try to work in the gift of faith. You'll be fully functional all the time. Not for any of us, because we don't have any issues. I mean, we're just perfect from forever, but, I mean, can you imagine that? I mean, once again, I'm saying over and over, but can you imagine a planet where you have spirit people in and you have mortal and immortal people living on the same planet? The saint bewitched. But this is as he is. So are you spirit, soul and body. But people who have an upgrade in their body to longevity and peace on the earth. But. But they're still in a mortal body.

**[01:03:21] Pastor West**

Because they didn't receive Jesus, they got through the tribulation, or they had to be raised up from the tribulation. But they're in the millennium, thank God they're there, but they're they're in a mortal body and you're not. So the gifts of the spirit will still be in operation. You'll be able to stop calamity before it happens. You'll be transported from place to place. During the entire 1000 year reign. You'll have an eternal, glorified body. You'll radiate you, illuminate you. You'll be the full expression of the glory of God. Natural people, when they look at you, they'll be in shock. And all of you. And I look at you, they'll say, well, let's receive this Jesus they keep telling us about. So evangelism never dies during the church age. It goes through the millennium. You're enjoying your life every day. You're resting, you're relaxing. You're at peace. There's no sorrow. There's no sickness. There's no fatigue. There's no disappointment. There's just supernatural joy and peace. It'll flow from you in the mortal. People will be jealous of you. But they'll follow you everywhere. You have to tell them to leave you alone. Go home. Jesus is going to give the time for the earth to rest. A time to replenish the earth. This planet has been under duress for 6000 years. He's going to let the earth rest. The Bible says in Romans 8:22 that the earth groans, waiting for this day.

**[01:04:42] Pastor West**

Paul said in second Timothy and second Timothy 2:12 he said, I want you to remember that if you suffer with him today, you'll reign with him tomorrow. But that tomorrow there is no more suffering. Forever and forever. When the thousand years is over. We'll finish this this morning when the thousand years is over. Satan is released from his prison. We'll talk about maybe why that? Maybe next week. We started off in revelation 20. Remember this morning in verses one through three says, just prior to the beginning of a thousand year reign. John saw in the vision. He said, I saw an angel come down from heaven, having the key of the bottomless pit and a great chain in his hand. And he laid hold of the dragon, that old serpent, which is called the devil and Satan, and bound him for a thousand years, and cast him into the bottomless pit, and did what to him, and shot him, and shut him up, and set a seal upon him, that he would deceive the nations no more to the thousand years should be fulfilled, and after that he must be loosed for a season. At the end of the seven year tribulation we come back with Jesus. In the Second coming we come down to the Mount of Olives. We're in the atmosphere, you might say. We're all on the white horse once again. It's the last day Israel is ready to be wiped out.

**[01:06:07] Pastor West**

There's a 200 million army. That's that. He's went into the to the earth and he's deceived them. People ask sometimes because they're worried about this. They said if he can deceive people during the millennium, could could we be deceived when he's lucid? No, you can't be deceived. You're sealed from God forever. You're the same as Jesus spirit, soul and body. You'll never be deceived by anything the devil does after he's loosed. But, but, but he'll go. He'll use the same after a thousand years. What does he learn? Nothing. He does the same thing. He goes to the four corners of the earth and does the same thing he does today. He tells lies. And it gathers up this army. And and so it's the battle of Armageddon. It takes place on the final day of tribulation. The world's been under the control for the Antichrist for seven years. Armageddon is Satan's last attempt to wipe out the nation of Israel. Zechariah 14:4 predicts on that day his feet on the Mount of Olives, east of Jerusalem in the Mount of Olives, will be split in two from east to west, forming a great valley, with half of the mountain moving north and half moving south. Wow! That day is a reference to what they call to the day of the Lord. So the one who stands on the mountain is the Lord himself. The last half of the battle will be devastating for Israel.

As we said, revelation 9:16 says that the Antichrist will converge. Revelation 9:16 says, the Antichrist will converge on Israel with a 200 million man army. Zachariah four one and two. Half of the city will fall. Zachariah 4:12. The women will be raped. The houses will be looted. Then, just before the second half of the battle, before the city falls, just before Israel falls, God intervenes with a period of supernatural darkness. Think about this. Israel is about to fall and we come back. God intervenes with a period of supernatural darkness. When Jesus comes back with us, he's doing everything he can. Everything to reach anybody lost. He says, let's just do one more thing. He said, let's make the whole earth dark. Maybe that'll get their attention. Just before it falls, God intervenes with a supernatural period of darkness. It says in Matthew 25, Jesus tells about this himself in Isaiah 13:10 said, same thing the sun won't shine, and the moon and stars won't give them light. The entire world will rest in darkness, and the people are given one last chance to receive Christ. But once Jesus splits the clouds at Armageddon with him, it is eternally too late. Forever. Revelation one seven says, look, here he is. That's with you coming in the clouds. Every eye will see him. Even those who pierced him. And all the peoples of the earth will mourn because of him. So shall it be.

Amen. Matthew 26:64 Jesus told the Sanhedrin, they will see the Son of Man seated on the right hand of power, and coming on all the clouds. Revelation 20:1 through ten Satan is loose from the pit. When the thousand years are over, he's released from his prison. Verse eight. He'll go out to deceive the nations in the four corners of the earth, Gog and Magog. And to gather them for battle in number like the sand of the seashore. Verse nine. They marched across the breadth of the earth and surrounded the camp of God's people, the city that he loves. But the fire came down from heaven and devoured them all. Verse ten. And the devil who deceived them was thrown into the lake of burning sulfur with the beast. And the false prophet had has been thrown. And there the devil will be tormented day and night, forever and forever. Do you all feel sorry for him? Amen. Praise God! Well, it's really interesting in them. This is all in your near future. If Jesus comes tonight, seven years will be back here. And then we'll start the millennium. Giddy up! We said this several times before. What you do. What you're doing in life now will determine what you're going to be doing during the seven years. I'm going to talk about that more last week. I know there's a number of questions I will address this next week, but you say, well, the Bible says that we will be judged also.

**[01:10:48] Pastor West**

That's true. You will be judged. And they'll be just. But your judgment won't be their judgment. Your judgment is completely different. Jesus has already judged your sin. But in the second death and the second resurrection, he he he, he resurrects those who have died, those who are already in hell. They will be resurrected. They haven't. They haven't even got their sentence yet. They'll they'll be resurrected in the in the second resurrection, and then they'll be judged and sent back forever to eternity in hell with whatever that punishment is going to be. So our judgment has nothing to do. So when we stand before God, it's not whether you're saved or you're unsaved. If you don't know that answer now, you need to get that fixed today. Our judgment will not be whether you're saved or unsaved or do you make it or do you not make it? If you're in heaven, you don't have to wonder, did I make it? You're there. Now you can live in eternity with no rewards, which would be better than being hell. But you don't have to go there. I can't. I don't want to say this, but every time I hear Joe Moore say, you don't want to walk around, you know, in heaven in a Speedo, the rest of it for eternity. I didn't do much while I was down there. In other words, you do a little something right now and you'll have more rewards.

**[01:12:13] Pastor West**

So we want to put that bed. We didn't put that to rest next week, so we'll cover a little bit during that. And the great White Throne judgment. And then we enter into eternity. Then I just I really want to preach on heaven. You hardly ever hear any sermons about heaven, do you? And what? What does the Bible tell us about heaven? What's heaven going to be like? What's heaven look like? We know some of its dimensions and what it's like the new heaven and the new earth. So it's going to be glorious. The the the good news about everything in revelation for the believer is this there is no bad news. He said, take these words and comfort one another. He said, when you see these things begin to happen, he says, you can know this. Your redemption is drawing real now. It's drawing real close to you. So what do we do during this time like this? We're the sounding voice. We're blowing the trumpet. We're the ones who's preaching the gospel. We're the ones who's. Who's taking the gospel to the people. I don't care who they are. I don't want anyone. I mean, it'd be better, of course, that they're saved during the tribulation, but I don't want to have. Do you want someone to go through the tribulation? Absolutely not. Half the planet in the Scripture tells you half the planet.

**[01:13:39] Pastor West**

Actually, 58% of the people during the tribulation will be killed. Some of those will be saved. You know who will receive the mark. But I mean, I mean, you just got volcanoes, you got hurricanes, you got nuclear war, you got all see, see, life dies. Boom. This planet is going to be a mess at the end of the seven years. But I'm going to tell you how quickly Jesus is going to clean it up next week. When we come down here for the millennial reign, he's going to make this thing like the Garden of Eden. It's going to be awesome, and we're going to rule and reign with him for a thousand years. That's going to be so awesome. Amen. Amen. I mean, just think about how many times you tell people, I want you to agree with me about something you won't need no one agree with about anything. No one needs anointing oil. No one's looking for no one with anointing. No, the. No one has a need. You're just. You're just helping people. You're just teaching people. You're just stopping people. You're just telling people. Getting Dennis Bible study next week. What's wrong with you? You baby. See, you don't even have no spirits dealing with you. You talking about. Well, I had a bad hair day. Dennis is like, Holy slap. You sit down over there. I'll let you up from here about three weeks now if you have that right. Amen. God bless you. Have a great day.
